

TIPS

- 1. Stammbahn** | Prussia's oldest railway line has gone through a variety of changes in its over-170-year-long history | Lower platform's closed-off tracks
- 2. Südringspitzkehre** | Pure S-Bahn history on display in the triangle between Torgauer Straße, Cheruskerstraße and the Gasometer
- 3. Rote Insel** | Earlier called Sedan-Viertel (Sedanstraße being the former name of Leberstraße), the Rote Insel ("Red Island") in Berlin is still an in-use expression and identification point | Leberstraße
- 4. EUREF** | The "European Energy Forum" seems less concerned with upholding its name than accumulating power and influence ... a strategy that is not helping it win friends | Torgauer Straße 12-15
- 5. Ev. Königin-Luise-Gedächtniskirche** | Out of the ordinary church with a striking 1912 cupola | Gustav-Müller-Platz
- 6. Alter Kirchhof der St.-Matthäus-Gemeinde** | So many notables can't be wrong when it comes to their last resting place. A wonderful spot in the metropolis | Großgörschenstraße 12-14
- 7. Denk Mal PositHIV** | The association enables a dignified burial for those who died from AIDS and also provides a special place of remembrance | direct by the tombs of the Brothers Grimm
- 8. Ehemaliger Militärbahnhof** | Before WWI, the construction of the railway infrastructure was closely tied to the Prussian military, who stationed a railway regiment here, adding more tension to the "Island" | Kolonnenbrücke
- 9. Marlene Dietrich's birthplace** | A memorial plaque pays homage to perhaps the most famous Schöneberg native | Leberstraße 65
- 10. Hildegard Knef's residence** | The Ulm-born star also kept "noch einen Koffer in Berlin" – here on the third floor, for instance | Leberstraße 68
- 11. Jansen Bar** | Small and very fine cocktail bar, not what one might expect on the "Island" | Gotenstraße 71
- 12. Restaurant Pinelli** | The Pinel-Gesellschaft ist a non-profit association with the aim of improving the situation of people suffering from mental illnesses | Eberstraße 67

SCHÖNEBERG

Berlin has a thing for mountains, but here all it can show for it is the mighty old gasometer, a prominent landmark and certainly an eye-catcher for urban romantics. The "red island" circumscribed by train tracks has a notorious history.

THE PROJECT

www.ringbahn.com takes a new look at the past and present of Berlin's Ringbahn, shedding light on technical, architectural, and everyday aspects. For those in the know, but especially for those just getting on board!
