## BEUSELSTRASSE

Moabit's good side can be found far away from the banks of the Spree. The north maintains its rough charm among warehouses and memorials, turbine halls and Café Achteck. A worker's district without any work – hard-up but full of heart.

## THE PROJECT

www.ringbahn.com takes a new look at the past and present of Berlin's Ringbahn, shedding light on technical, architectural, and everyday aspects. For those in the know, but especially for those just getting on board!
